The Prince William Health District What You Should Know:

High interest among parents of young children who want to get them protected from COVID-19.

- **As of November 10, 2021**, There are about 723,000 children ages 5-11 who became eligible for the Pfizer COVID-19 vaccine upon approval on November 2 according to the Centers for Disease Control.
- **As of November 10**, 35,227 children have received their first dose of the vaccine.
- **In Virginia, 11,900,269 COVID-19 vaccine doses have been administered**, 84% of adults have had at least one dose of vaccine and 75.5% of adults are fully vaccinated.
- VDH's top priority is to increase vaccination rates in Virginia because those who are unvaccinated remain at the highest risk of severe illness and hospitalization due to COVID-19.
- Everyone 5 years or older is eligible to be vaccinated with the Pfizer-BioNTech vaccine. All Community Vaccine Centers in the Commonwealth and our Manassas Mall vaccine clinic require appointments.

Community Vaccination Center and Manassas Mall Clinic

Appointments for adolescents and adults are highly recommended. Appointments are required for 5-11 year olds.

Sign up for appointments at vase.vdh.virginia.gov for either the CVC or the Manassas Mall vaccine clinic

Testing

- If you think you may have COVID-19, you can visit the [VDH website to locate COVID-19 testing sites](#) or visit
- <https://www.hhs.gov/coronavirus/community-based-testing-sites/index.html>

You can reach out to your healthcare provider for COVID-19 testing. Pharmacies offer COVID-19 testing and sell over-the-counter home testing kits. <https://www.vdh.virginia.gov/coronavirus/covid-19-testing/walgreens-partnership/>

Prince William County is the second-largest county in the Commonwealth of Virginia with a population of nearly 467,000. A highly-educated, racially and ethnically diverse population makes the county one of the most globally represented communities in the region. AAA Bond Ratings, awarded annually from all three ratings agencies, confirms a commitment to a thriving and robust economy. Prince William County encompasses a total area of 348 square miles and includes independent cities and towns, state and federal park properties, and Quantico Marine Corps Base. Steeped in rich history, surrounded by beautiful parks and open space, Prince William County is a community of choice where individuals, families and businesses choose to live, work and play.
